

## First Aid at Work

Written by experienced first-aid trainers this online first aid at work course is flexible, accessible and can be completed in 4 to 5 hours. It can be used as part of a blended-learning approach and can replace 1 day of the 3 day first aid at work qualification.

The Health and Safety (First-Aid) Regulations 1981 require employers to provide adequate and appropriate equipment, facilities and personnel to ensure their employees receive immediate attention if they are injured or taken ill at work.
